### VINTAGE

2010

This wine is drinking well now but has excellent ageing potential and will improve for the next 5-10 years

### AROMA

Shy dry-grass aroma with vibrant lemon and lime notes with floral undertones and pale straw colour with luminous green hue.

### PALATE

A beautiful, lean, medium bodied Semillon. Classical lemon, lime acidity which is balanced with soft natural fruit sugars

### OVERVIEW

The fruit was harvested mid-January in the cool of the night to preserve the fruit integrity. After arrival at the winery the grapes were crushed early morning to keep the semillon's natural flavours.

For several vintages the vines for this semillon have produced award winning wines. The Hunter Valley wine region is internationally renowned for it's semillons.
